

CV of Reinhold Egger

Birth date: April, 28th, 1967, in Lauffen (Germany)
Nationality: German
Family status: married, two children
ResearcherID: A-9163-2010

School education

1973 – 1977 Elementary School Lauffen
1977 – 1986 Hölderlin-Gymnasium Lauffen
Jun 1986 Abitur

Studies

1986 – 1992 Physics (Diploma) at University of Stuttgart
1991 – 1992 Diploma thesis with Prof. Dr. U. Weiss
1988 – 1993 Scholar of the Studienstiftung des Deutschen Volkes

Jun 1992 to Nov 1993 Visiting Scholar, University of Southern California, Los Angeles (Scholar of the Studienstiftung)
Dec 1993 to Mar 1994 Research Assistant, University Stuttgart (II. Institut für Theoretische Physik)
Feb 1994 Dissertation, University of Stuttgart (summa cum laude)

Work

Apr 1994 to July 1999 University Assistant with Prof. Dr. H. Grabert, Albert–Ludwigs–Universität Freiburg
1997 Habilitation and *venia legendi*, University of Freiburg
Aug 1999 to Mar 2000 Heisenberg professor of the Deutsche Forschungsgemeinschaft (DFG)
Apr to Sep 2000 Assistant Professor, Freiburg University
Oct 2000 to Heisenberg professor of the

March 2001	DFG
2002	Offer for full professorship, Innsbruck, Austria (declined)
since Apr 2001	Full Professor for Theoretical Physics Heinrich–Heine–Universität Düsseldorf

Research stays

1992-1993	Visiting Scholar, USC, Los Angeles
Mar/Apr 1997	EPSRC Fellow, Imperial College London
Aug/Sep 1997	University of Southern California, Los Angeles
1999	Invited General Member, Institute for Theoretical Physics, University of California, Santa Barbara
Feb/Mar 2000	Instituto Balseiro, Centro Atomico, San Carlos de Bariloche, Argentina
Sep-Dec 2000	Imperial College, London
Jan-Mar 2001	Instituto Balseiro, Bariloche
Oct-Dec 2005	CNRS Fellow, Marseille University, France
Feb 2006	Research Fellow, Brookhaven National Lab, USA
Mar-Apr 2006	Invited Participant at Spintronics Program, KITP Santa Barbara, USA
Oct 2008	Galileo Galilei Institute, Florence
Mar 2009	ESF INSTANS Fellow, Marseille University, France
Apr-Jun 2010	Visiting Professor, Universidad Autonoma Madrid, Spain
May 2012	Galileo Galilei Institute, Florence
Aug 2012	IIP Natal, Brazil
since 2014	Distinguished Guest Professor, IIP Natal, annual one-month research stay

Awards and Honorary Posts

1998	Physics Prize, Akademie der Wissenschaften Göttingen
1999	Gerhard–Hess Award (DFG)

1999	Heisenberg professor (DFG)
2008	APS Outstanding Referee
2012-2017	Member of FWO Condensed Matter Panel W&T3, Belgium
2014	CNPq Visiting Professor Award (Brazil)
since 2011	Editor for European Journal Physics B
since 2011	Vertrauensdozent Studienstiftung des Deutschen Volkes
since 2013	Divisional Associate Editor, Physical Review Letters
since 2017	Member of International Advisory Board, IIP Natal, Brazil
